Subject : Publication of Technical Paper

Gentlemen:

Reference is made to your request for permission to present and publish a technical paper entitled "Removal of Image Motion Aberrations." It is understood that this paper has been produced as part of the work performed by your firm under [REDACTED]

25X1

The subject paper has now been reviewed by this office and approval for publication as an UNCLASSIFIED document is hereby granted subject to the following:

a. No reference to the sponsor under [REDACTED] or to the Government shall be made. The work must be described as a study resulting from in-house research.

25X1
25X1

b. It shall be clearly understood that the foregoing under a. above is solely to preclude association of the sponsor with this work and no waiver is made or implied by the sponsor as to the provisions of the contract covering patent rights and other applicable clauses.

Very truly yours,

[REDACTED]
Successor Contracting Officer
